The illustration features a light teal background with scattered white snowflake icons. In the center, there are three stylized trees with triangular tops in shades of grey, brown, and dark brown. In front of the trees are four gift boxes: a large grey one with blue polka dots, a small brown and blue striped one, a medium blue and brown striped one, and a large blue and brown striped one. All gift boxes have white bows. The scene is set on a dark teal base with a scalloped edge, representing a grassy or snowy ground.
